

Welcome to the Language Arts section for third through fifth grade! Here tutors can browse resources located in the Tutoring Room in order to better plan weekly sessions with their student. The resources on the actual list are separated into 'activities', 'books' and 'worksheets' because we understand that each student learns differently.

If you wish to view the standards being taught in Kentucky public schools, feel free to visit the Common Core Standards (link to: <http://www.corestandards.org/the-standards/english-language-arts-standards>) website. Here you will find subject and grade breakdowns for the expectations held in most schools in Fayette County.

Third Grade

- Phonics
- Sight Words
- Reading Comprehension
