

CAMP CARNEGIE 2022

A SERIES OF PRE-PROFESSIONAL CAMPS FOR
RISING 6TH, 7TH & 8TH GRADERS

Grow With Mo!

July 5-8, 8:30 am-12:30 pm

Monet Proctor, Seedleaf Education &
Outreach Coordinator

Come Grow with Mo! Where you will be Inspired to engage with the various stages of growth. We will sow, tend, and harvest herbs & vegetables as well as positive schools of thought. Together we will inspire holistic growth amongst the next generation and create a more self-sufficient society!

Pens, Paper & Rocket Punches:

Telling A Story With Comics

July 5-8, 1- 5 pm

Bryce Oquaye, Illustrator, Comic Artist
& Designer

In this camp you will learn the basics of designing your own characters and telling short stories with comics. You will learn about each step of the comic creation process and create your own 1-2 page comic.

Mad Scientists

July 11-15, 8:30 am- 12:30 pm

JC McPherson, Mad Scientist &
Lifelong Learner

Do you like to build things? Do you have a little bit of a mad scientist within you? In this camp we'll create our own speakers for a cell phone, do the famous egg drop, build water rockets, and more! Bring your curiosity and an open mind because we are going to surprise you. Through discussions, videos, and hands-on demonstrations, we will explore science and have fun doing it.

Stitching the S.E.L.F.

July 11-15, 1-5 pm

Samantha Jean Moore, Film Producer,
Model & Fashion Designer

This course will teach you how to tell your own story through the power of fashion and portraiture. Through a series of personal empowerment exercises, basic sewing and alteration, and posing techniques, you will learn who you are (An influencer, an entrepreneur, a rockstar) and how to express it effectively.

\$75 per
camp

Lunch is provided for full-day campers!
